

NHSScotland is recruiting now

You already have what it takes

You have the skills we need!

☆ **If you're a school leaver, have volunteering experience, or enjoy social activities, you'll have these skills:**

- verbal communication
- listening
- attention to detail
- problem-solving
- building relationships
- teamwork
- time management
- using technology

👤 **Having those skills means you could be working in these jobs:**

- healthcare support worker
- domestic assistant
- catering assistant
- hospital porter
- administrative assistant

Find out more about what you would be doing in those jobs.

Tell us about your skills

When applying for a job in the NHS, tell us what you can do.

Describe how you learned your skills and how you used them at school, socially, or by volunteering. How will you apply these skills in your new role?

Choose examples that are related to the job you're applying for. It helps us learn more about you and the skills you'll bring to the role.

Get more support to help you apply.
